

2015 Vaccines for Children (VFC) and State-Supplied Vaccine Annual Enrollment Checklist

✓	2015 Prevention Partnership Enrollment Tasks
	Completed online enrollment survey.
	Printed a copy for clinic records.
	Medical Director signed final page of enrollment survey and returned to NDDoH.
	Primary and secondary contacts completed You Call the Shots VFC Module.*
	Primary and secondary contacts completed VFC post-test on NDDoH webpage.*
	Primary and secondary contacts completed “Keys to Storage and Handling” video.*
	Primary and secondary contacts completed storage and handling post-test on NDDoH webpage.*
	My facility has implemented data loggers in all storage units containing VFC or state-supplied vaccine and has submitted data logger temperature charts to NDDoH.

If all boxes are checked your facility has completed the 2015 enrollment process.

* All required provider education and post-tests can be found on the NDDoH webpage at <http://www.ndhealth.gov/Immunize/Providers/Education.htm>. Once the post-tests are completed providers should print a copy of their certificates to keep on file.
